

## **NEW CLIENT “GARDEN QUESTIONARE”**

The answers to these questions will make the initial landscape concept work catered to your particular taste. Any other direction, photo's, will be appreciated and incorporated in the overall landscape concept.

1. What is the style of the garden that you desire? (Tropical, simple, formal, etc.)
2. What types of plants? (Give a general direction)
3. Are there special plants you want? (Fruit, scent, etc.)
4. Are there children? (How many, gender, ages, etc.) Are any special elements wanted? (Play structure, swing, slide, etc.)
5. Is there a color scheme of flowers desired? Are there any plant colors that you dislike?
6. Are there special shade requirements? Any bee problems or known allergies?
7. Any special budget requirements?
8. How many months out of the year will the house be occupied?
9. Do you anticipate pets?
